**Subject:** Compilations in RDA chapter 6, Discussion paper

CILIP thanks ACOC for its proposed revision.

CILIP agrees in principle that RDA 6.27.1.2 requires clarification.

CILIP notes that the wording of the cross-reference in RDA 6.2.2.8 to RDA 6.2.2.10, "...a compilation of works", is inconsistent with the heading of RDA 6.2.2.10, "...a Compilation of Works of One Person, Family, or Corporate Body". The cross-reference is ambiguous, and also requires clarification.
