

**To:** Joint Steering Committee for Development of RDA

**From:** Gordon Dunsire, CILIP Representative

**Subject:** Addition of the Copyright holder relationship – Amendments to RDA 21.6.1.1 and Appendix I

CILIP thanks ACOC for its proposed revision.

CILIP agrees with the proposal.

CILIP suggests that RDA might be improved if Copyright was treated as an entity related to the Expression and Manifestation entities, with the Copyright holder relationship being between Copyright and Person, Family, and Corporate Body.
