Subject: Proposed Revision of RDA Instructions for Government and Non-Government Corporate Bodies: Examples

CCC agrees that the examples be referred to the Examples Group to determine which examples should be retained.

CCC would like to clarify the *Canada. Corporations Canada* example. It falls under the new type 6 – “a government agency that is a ministry or similar executive agency...” and therefore would be entered subordinately. *Multiculturalism Canada*, however, is a subordinate unit of a department (Department of the Secretary of State) but would be entered directly as it contains the name of the higher body.
