

To: Joint Steering Committee for Development of RDA

From: Dave Reser, LC Representative

Subject: Changes to Appendix D.0 and D.1.3.1

Thanks to the British Library for the changes to this appendix, we agree with the proposal.

Because the RDA Editor's Guide says that citations should follow Chapter 14 of the Chicago Manual of Style, we suggest minor reformatting of the citation at D.1.2.3:

See: "Appendix A: Multilevel Description" in: *ISBD: International Standard Bibliographic Description*, Consolidated ed., IFLA series on bibliographic control, vol. 44 (Berlin: De Gruyter Saur, 2011), 309-311.
