

To: Joint Steering Committee for Development of RDA
From: Galen Jones, CILIP Representative
Subject: “Between”, “Before” and “After” dates (Revision of RDA 9.3.1.3)

CILIP thanks BL for its proposed revision. CILIP has an overall preference for Option 1.

CILIP notes however that Option 2 may offer greater consistency and lower retro conversion costs and that the ALA response to this proposal may offer an improved solution.

CILIP accepts the proposal.
