**From:** Christine Frodl, DNB representative  
**Subject:** Change to 2.2.4 to remove parallel title proper

DNB thanks the BL representative for preparing this proposal. DNB agrees with this proposal with the following suggested changes: delete also parallel other title information from the list at 2.2.4. and revise 2.3.5.2: "If there is no corresponding parallel title proper, take parallel other title information from the same source as the title proper (see 2.3.2.2) but only from any source within the resource."
