TO: Joint Steering Committee for Revision of AACR

SUBJECT: Initial articles in Māori & Pacific Island languages

LC supports ACOC's proposal to add initial articles in Māori & Pacific Island languages to the appendix on initial articles. LC also notes that the Network Development and MARC Standards Office (NDMSO) has agreed to update the list of initial articles in its documentation to be consistent with the AACR2/RDA list; the Cataloging Policy and Support Office at LC will notify NDMSO of all approved additions.
