

TO: Joint Steering Committee for Revision of AACR

FROM: Hugh Taylor, CILIP representative

SUBJECT: Designation of Roles in RDA

CILIP thanks LC for this paper. The criteria described in the background seem sound, and CILIP believe that the proposed appendix matches those criteria. So far as we can tell, what LC terms the “breadth” and “depth” are both adequately covered. We do not think that such an appendix should aim to be exhaustive.

We can identify nothing in the body of the appendix (or lacking from it) that requires comment.
