**From:** Barbara Tillett, LC Representative  
**Subject:** Revision of RDA instructions relating to librettos and lyrics for musical works (RDA 6.2.2.10.2, 6.27.4.2, Appendix I.2.1, and Glossary)

LC thanks ALA for suggesting these revisions—we agree that use of the term “lyrics” is a great improvement!

[Note: revised Sept. 27 to correct subject line.]
