

**To:** Joint Steering Committee for Development of RDA

**From:** Gordon Dunsire, CILIP Representative

**Subject:** Revision of A.29, Capitalization of Hyphenated Compounds;  
changes in Chicago Manual of Style, 16th edition (2010)

CILIP thanks ALA for its proposed revision.

CILIP does not agree with the proposal. CILIP feels that the proposal needs further clarification with respect to RDA A.10, which uses the word "basically", and that the style of the RDA Toolkit should be considered in the context of the internationalisation of RDA and its translations.
