

To: Joint Steering Committee for Development of RDA  
From: Christine Frodl, DNB Representative  
Subject: Revision of A.29, Capitalization of Hyphenated Compounds;  
changes in Chicago Manual of Style, 16<sup>th</sup> edition (2010)

DNB thanks John Attig (ALA) for this proposal. We agree with the proposal and the suggested changes.

In general we would like to state, that Appendix A is primarily "for English and a selected number of other languages" (RDA A.0). We would like to see a more international conception of Appendix A being developed by the JSC.
