2.10.6.2 Sources of Information

Take dates of manufacture from the following sources (in order of preference):

- a) the same source as the title proper (see 2.3.2.2)
- b) another source within the resource itself (see 2.2.2)
- c) one of the other sources of information specified at 2.2.4.

For multipart monographs and serials, take the beginning and/or ending date of manufacture from the first and/or last released issue or part, or from another source.

For integrating resources, take the beginning and/or ending date of manufacture from the first and/or last iteration, or from another source.
