

To: Joint Steering Committee for Development of RDA
From: Susanne Oehlschläger, DNB Representative
Subject: Using the mark of omission when recording titles (RDA 6.2)

DNB thanks ALA for this proposal.

We agree with the proposal but we object to the proposed exception under 6.2.1.10 as we think that the mark of omission should be used regardless of where the text is omitted.

The proposed example should be moved after the other 2 examples and modified accordingly:

EXAMPLE

Publication ... of the Indiana University Research Center in Anthropology, Folklore, and Linguistics

Source of information reads: Publication twenty-five of the Indiana University Research Center in Anthropology, Folklore, and Linguistics

The annual report of Governor ...

Source of information reads: The annual report of Governor Rhodes. The name of the governor changes with each specific term of office

... annual report

Source of information reads: 2011 annual report
