

To: Joint Steering Committee for Development of RDA
From: Galen Jones, CILIP Representative
Subject: Post-nominal letters as Other Designation (Additional examples for RDA 9.6.1.9 and 9.19.1.7, and addition to Appendix E)

CILIP thanks BL for its proposed revision.

CILIP suggests removing the indent in 9.6.1.9 before the text: 'Record the designation in a language preferred by the agency creating the data' since it is not part of the list.

CILIP accepts the proposal.
