

To: Joint Steering Committee for Development of RDA

From: Gordon Dunsire, CILIP Representative

Subject: Revision of RDA 2.3.1.7 (Titles of Parts, Sections, and Supplements) and RDA 2.3.2.6 (Collective Title and Titles of Individual Contents)

CILIP thanks CCC for its proposed revision.

CILIP agrees with the proposal, except for the part covering "Television programs, radio programs etc."

CILIP believes that it is not necessary to specify this exception because it is covered by the more general exception proposed for "Serials and integrating resources". No reason is given in the proposal for adding "Television programs ..." as a separate exception.
