

To: Joint Steering Committee for Development of RDA

From: Alan Danskin, BL representative

Subject: Add instructions to supply terms indicating the function recorded under the optional addition provisions at 2.7.4.4., 2.8.4.4, 2.9.4.4 or 2.10.4.4, in a language and script preferred by the cataloguing agency.

The British Library believes that this is already covered by RDA 1.4, therefore we do not support the proposed changes.
