Subject: Proposed revision to instruction 6.15.1.4, "Instrumental Music Intended for One Performer to a Part"

LC thanks the CCC representative for preparing this revision and ALA for their additional suggestions. We agree with ALA's observations regarding "continuo" and support their proposals:

- 1) to give the instruction at 6.15.1.3 to avoid having to classify "continuo" as either a single instrument or a group of instruments, and
- 2) to NOT use "thorough bass" in 6.15.1.4, but instead prefer to still use "continuo" in RDA instructions.
