Subject: Proposed revision to instruction 6.15.1.7, "Groups of Instruments"

LC thanks the CCC representative for preparing this revision. We support the changes as written by CCC and modified by the editorial corrections from ALA's items 1 and 2.

We do not feel a change is needed to address ALA's item 3 regarding *jazz ensemble*. This may be an issue for the joint CAML/LC/MLA group looking at music instructions to discuss further, but we feel the current CCC wording is sufficient for now.
