**From:** Barbara Tillett, LC Representative  
**Subject:** Proposed revision to instruction 6.28.1.11, “Addition to Access Points Representing Compilations of Musical Works”

LC thanks CCC for offering the revisions, and would like to offer a revision to the proposed text at 6.28.1.11:

Add the medium of performance to the access point representing a compilation containing works of one type, unless the medium is the same as the one implied by the title or unless the works are for various media. Record the conventional title *Selections* following the medium, as applicable.
