Subject: Proposed revision to instructions 6.16.1.3, "Recording Numeric Designations of Musical Works"

ALA thanks CCC for proposing additional instructions allowing inclusive numbers to be recorded.

The Music Library Association suggests that explanatory text be added to the Beethoven example at 6.16.1.3.1, to clarify the discrepancy between "no. 6-8" and "op. 30 nos. 1-3"

No. 6-8

Resource described: Violin sonatas op. 30 nos. 1-3 / Beethoven. **Preferred title:** Sonatas; **medium of performance:** violin, piano; **opus number:** op. 30. **Beethoven's violin sonatas nos. 6-8 also known as his Opus 30, nos. 1-3**
