**From:** Gordon Dunsire, Chair, Joint Steering Committee for Development of RDA

**Subject:** Revision to 6.2.2.10 (Recording the Preferred Title for a Compilation of Works of One Person, Family, or Corporate Body) and 6.2.2.4 (Works created after 1500)

The JSC thanks the National Library of New Zealand for its work on this proposal.

The topics covered in this proposal were discussed by the JSC in relation to other proposals and discussion papers submitted to its meeting in November 2014 as well as the current work on FR consolidation.

At this stage the JSC strategy is to set up a group to consider the topic of aggregations, preferably in collaboration with the FRBR Review Group. Proposals, discussion papers, and comments on this topic will be referred to the new group for its consideration, and the JSC will pass on the proposals made by the National Library of New Zealand.

The JSC will make appropriate minor amendments to improve the current wording of the RDA instructions, suggested by the discussion on this proposal, using the Fast Track process.
