**SUBJECT: Parts of the Bible: Books (RDA 6.23.2.9.2).** British  
Library Response

The British Library thanks DNB for their proposal. We agree with the proposal. We see no reason to include the following text:

“If the preferred language of the agency creating the data is English, use the brief citation form of the Authorized Version.”

We support the suggested wording from ACOC and acknowledge that the specific authority will be a matter of policy.
