

To: Joint Steering Committee for Development of RDA

From: Gordon Dunsire, CILIP Representative

Subject: Parts of the Bible: Books (RDA 6.23.2.9.2)

CILIP thanks DNB for its proposed revision.

CILIP agrees with the proposal, but suggests that the text to be added could be improved for clarity. For example, the insertion in the first sentence breaks the flow of the instruction. CILIP does not have any specific suggestions for improved wording.
