

To: Joint Steering Committee for Development of RDA
From: Judith A. Kuhagen, Secretary, JSC
Subject: Discussion paper: Mixture of work level and manifestation level in RDA 2.3.2.6
(Collective Title and Titles of Individual Contents), Optional Additions

The text below reflects the decisions made by the Joint Steering Committee during its November 2014 meeting and via email after the meeting.

= = = = =

2.3.2.6.1 Comprehensive Description

[1st paragraph & its examples unchanged]

Record the titles of the individual contents as the titles of related manifestations (see 27.1), if considered important for identification or access.

For instructions on recording the relationship to the related works, see 25.1.

2.3.2.6.2 Analytical Description

[1st paragraph & its examples unchanged]

Record the title for the larger resource in any of the following ways that are applicable:

- a) as a series title (see 2.12.2)
- b) as the title of a related manifestation (see 27.1).

[exception unchanged]

For instructions on recording the relationship to the related work, see 25.1.
