Subject: Change in mode of issuance for online resources: proposal for a revised instruction

DNB thanks the ISSN International Centre and the ISSN Review Group for this proposal. Although our group has been torn between agreement and rejection, we agree in principle with the proposal and have the following recommendations:

Before this change will be adopted, we recommend to properly checking whether there are other places within RDA that are affected by this change.

Moreover, we wonder whether there is a typo on page 2. We think the reference should point to 2.13 instead of 2.1.3.
