**From:** Christine Frodl, DNB representative  
**Subject:** Adjustment to exception for recording acronym/initialism titles in favor of base instruction (2.3.2.5, exception)

DNB thanks the LC representative for preparing this proposal. DNB agrees with this proposal which supports closer harmonization with ISSN, especially when recording acronyms and initials as variant titles. DNB also would like to propose a minor change in the wording of the exception: instead of "either" – "or" we suggest saying "and".
