

To: Joint Steering Committee for Development of RDA  
From: John Attig, ALA Representative  
Subject: Additional exception in 9.19.1.2 (Title or Other Designation Associated with the Person) for titles of religious rank

ALA thanks the Library of Congress for this proposal. We support the addition of an exception for titles of religious rank.

We note ACOC's point about the examples preceding the exceptions. We are not sure that these examples do in fact illustrate the exceptions, but suggest that the Examples Group be asked to consider the question.
