

To: Joint Steering Committee for Development of RDA

From: Bill Leonard, CCC representative

Subject: **Revisions to Change of Name of Jurisdiction or Locality (RDA 11.3.3.4)**

CCC supports the intent of this proposal. We question whether this is intended to apply only to locations of headquarters, or also to other locations associated with corporate bodies. As currently placed within the RDA hierarchy, instruction 11.3.3.4 applies only to Location of headquarters (RDA 11.3.3).

CCC suggests that by placing this instruction at 11.3.4, it would thereby apply also to Basic instructions on recording places associated with corporate bodies 11.3.1, Location of conference, etc., 11.3.2 as well as 11.3.3.

We suggest the following revision to the proposal:

11.3.3.4

Change of Name of Jurisdiction or Locality

If the name of the local jurisdiction or geographic locality changes during the lifetime of the body, record the latest name in use in the lifetime of the body. Record earlier names of the jurisdiction or locality if considered important for identification.
