

To: Joint Steering Committee for Development of RDA
From: Christine Frodl, DNB representative
Subject: Revisions to Date Associated with the Person (9.3) when recording more than a year alone

DNB thanks the LC representative for preparing this proposal. DNB agrees with this proposal. Furthermore we would like to propose considering that all prescriptions in chapter 9.3 of how to record dates conflict with the RDA principle of flexibility as stated in chapter 0.4.2.3.
