Subject: Changes to instructions on liturgical works (6.30.1.5)

DNB thanks LC for this proposal. We agree with the proposal and the suggested changes 1 and 2.

A suggestion for a rewording of the caption at RDA 6.30.1.5.2 (similar to RDA 6.30.1.2): "Works officially accepted as liturgical works"

Beside our support for this proposal, we would like to comment on two aspects which are included in the old and in the new version: Generally we think that combining the liturgical work with a denominational body is often not possible or not useful, because we suppose that there are many liturgical works where an allocation to a specific corporate body is vague or ambiguous. Furthermore, in many cases it is not possible to make a difference between official (6.30.1.5.1) and unofficial liturgical works (6.30.1.5) or a lot of time is needed to make inquiries. We would be interested in JSC's opinion and would welcome a discussion about this.
