**Subject:** **Revision to RDA 16.2.2.8 (Place Names for Jurisdictions)**

CCC thanks the Library of Congress for following-up on this issue. CCC supports this proposal and agrees with the proposed name of instruction 16.2.2.8 “Terms Indicating Type of Jurisdiction.” We also support the addition of the words “when recording the preferred name” because that serves as a reminder that a variant name might well be recorded the opposite way.

We note that 6JSC/TechnicalWG/4 proposes adding to the glossary definitions relevant to 6JSC/LC/27. 6JSC/TechnicalWG/4 would also replace “jurisdiction” with “territorial jurisdiction” in 16.2.2.
