Subject: Elimination of RDA treatment for “names not conveying the idea of ...”

CCC supports simplifying RDA instructions to eliminate the concept of “names not conveying the idea of ...” and offers the following comments.

Change 10

CCC recommends deleting the examples Elks (Fraternal order) and New England Invitational Tournament (Hockey) at 11.13.1.1 because it is not evident that the qualifier is needed to distinguish identical names.

CCC also recommends retaining and revising the Fusion examples, and to move the Niagara examples that were deleted under Change 11 (at 11.13.1.2) to the examples list at 11.13.1.1.

Proposed revision for examples at 11.13.1.1:
