

**To:** Joint Steering Committee for Development of RDA

**From:** Alan Danskin, British Library Representative

**Subject:** Works without titles

The BL thanks LC for its proposed revision which we support.

Change 1: Agree

Change 2: Agree

Change 3: Generally agree, but impact of options on legacy data should be assessed. We believe option A would be less disruptive.

Change 4: Agree. This is a welcome simplification and clarification.

Change 5: Agree, subject to comments on option A.

Change 6: Agree

Changes 7-9: Agree.
