Subject: Revisions to instructions on Parts of the Bible (6.23.2.9.2-6.23.2.9.5 and 6.23.2.9.7)

DNB thanks LC for this proposal. The group for religious works of the German-speaking RDA implementation group assisted us with this special subject. They would like to remove the examples from 6.23.2.9.2 that are designated as "possible German examples".

There was also a comment that envisioned for the future that special instructions for religious works should be reduced, e.g. parts of religious works could also be recorded with their specific titles.
