

Attachment to 6JSC/LC/5/rev

The text below would be the result of ACOC's comment that the style at 0.6.2 would need to be used for 0.6.4 and 8.3 once "Date of birth" and "Date of death" were added.

As noted in the revised proposal, LC recommends adding "Date of birth" and "Date of death" and deleting the existing "Date associated with the person." Yellow highlighting = what would be added to mimic the style at 0.6.2.

Name of the person

Preferred name for the person

Title of the person

Title of the person

Date associated with the person

Date of birth

Date of death

Other designation association with the person

Other designation associated with the person

Profession or occupation

Profession or occupation (for a person whose name consists of a phrase or appellation not conveying the idea of a person)

Field of activity of the person

Field of activity of the person (for a person whose name consists of a phrase or appellation not conveying the idea of a person)

Identifier for the person

Identifier for the person

Name of the family

Preferred name for the family
