

To: Joint Steering Committee for Development of RDA

From: Marg Stewart, CCC representative

Subject: **Revision of RDA 6.27.1.2 and RDA 6.27.1.3**

CCC has reviewed 6JSC/LC/8 and offers the following comments:

1. CCC does not agree with the proposal to add a reference to 6.27.1.9 at 6.27.1.2 and 6.27.1.3. CCC feels that the reference to 6.27.1.9 is sufficient at 6.27.1.1 (General Guidelines on Constructing Authorized Access Points Representing Works) because it is applicable to 6.27.1.2-6.27.1.8.
2. CCC suggests adding an example to clarify the exception:

Example

Stone, I. F. (Isidor Feinstein), 1907-1989. I.F. Stone's weekly

3. CCC agrees with the proposal to add the reference to 19.2.1.1 at 6.27.1.2 and 6.27.1.3. CCC agrees with the recommendation to change the label from "Motion pictures, etc." to "Moving image works" at 6.27.1.3. CCC agrees with the recommendation to change the label from "Motion pictures and video recordings" to "Moving image resources" at 7.18.1.3.
