SUBJECT: Proposed revision to instruction 6.14.2.5, "Preferred Title Consisting Solely of the Name of One Type of Composition". British Library Response.

The British Library thanks the Music Joint Working Group for their proposal which we fully support.

We think that an additional instruction is required to explain what to do if there is no cognate form in the language preferred by the agency.

The application of this (missing) instruction appears to be illustrated by the added example.
