Subject: Revision proposal for RDA 6.28.3, Authorized Access Point
Representing a Musical Expression

CILIP thanks the Music Working Group for its proposed revision.

CILIP suggests that the third paragraph in 6.11.1.3 be changed slightly since it no longer includes a list. We suggest changing it to: "For instructions on recording language of expression of religious works as part of authorized access points, see 6.30.3.1-6.30.3.3". Also consider moving the examples box (after 1st paragraph?)

CILIP accepts the proposal.
