

**TO:** Joint Steering Committee for Development of RDA

**FROM:** Alan Danskin, British Library representative to JSC

**SUBJECT:** Revision proposal for choosing and recording preferred titles for music in RDA 6.14.2.3–6.14.2.6

The British Library thanks the Music Working Group for this proposal, which we support.

We note that the language at 6.14.2.3 has been amended for consistency with 6.2.2.4, which in the general instructions only applies to Works created after 1500; are there any implications for works created before 1501?
