## PRICING MODEL

**RDA should be a core component** of any cataloging course or training, and we want to ensure that access is easily available to LIS programs for instructors and students.

**Our current pricing is:**

30 users for **\$500 USD**

50 users for **\$800 USD**

LIS subscriptions are available for classroom use only at institutions with established LIS programs. LIS rates are not available for professional staff access to RDA Toolkit. RDA Trainers who lead 6 or more training sessions per year also qualify for LIS pricing. Please know that we still offer free training/workshop opportunities.
