1. **Limited License.** Licensor hereby grants to Authorized Users a non-exclusive, non-transferable, non-assignable license to the Content under the terms and conditions set forth herein. This License extends only to Authorized Users individually and may not be transferred to, or extended to, others.
2. **Authentication details.** You are solely responsible for all security for and all use, including unauthorized use, of the Content initiated under your Authorized User account (including all claims arising therefrom), and shall promptly notify Licensor in writing of lost or stolen passwords, logins, or other authentication details.
3. **Permitted Uses.** Authorized Users are permitted online access to the Content and may retrieve, display, or save text, search results or other information from the Content solely for the private use, instructional use, reserve use or research of the Licensee or Authorized Users. All rights not expressly granted are reserved to Licensor. Authorized Users may only use this online access in a way that conforms with all applicable law and regulations, and may not alter or modify any content.
4. **All other uses of the Content are prohibited without specific permission of the Licensor including but not limited to:** (a) printing of multiple copies, (b) reprinting for publication, including course packs; or Web publication, (c) commercial or promotional use (i.e., use in connection with activities intended to generate revenue other than tuition), or (d) the systematic making of print or electronic copies for transmission to persons or institutions other than Licensee or Authorized Users. Authorized Users do not acquire ownership rights to the Content. The Web Site may not be resold or transferred.
