Subject: Formal response to RSC/ExamplesEditor/2026/3 – Proposal to add condition options regarding preferred recording source in Data provenance: Recording a source of metadata that is a manifestation that is being described

Recommendation 1. Add a new condition option for the general condition (65.53.81.13) of the “Data provenance: Recording a source of metadata that is a manifestation that is being described” section.

I approve.

Recommendation 2. Add a new condition option for the *early printed resource* condition (20.89.89.54) of the “Data provenance: Recording a source of metadata that is a manifestation that is being described” section.

I approve.
