Subject: Formal response to RSC/ExamplesEditor/2026/3, Proposal to add condition options regarding preferred recording source in Data provenance: Recording a source of metadata that is a manifestation that is being described

ALyC thanks the Examples Editor for the proposal.

Recommendation 1: Add a new condition option for the general condition (65.53.81.13) of the Data provenance: Recording a source of metadata that is a manifestation that is being described section.

I approve.

Recommendation 2: Add a new condition option for the *early printed resource* condition (20.89.89.54) of the Data provenance: Recording a source of metadata that is a manifestation that is being described section.

I approve.
