Subject: Formal response to RSC/ExtentWG/2025/8/ - Proposal for Manifestation:
sequence of units of extent

ORDAC thanks the Extent Working Group for preparing this proposal. In particular, ORDAC thanks the Working Group for responding to feedback to the discussion paper, and congratulates the Working Group on proposing an elegant solution that provides options for backward compatibility and granular linked data applications.

ORDAC notes the proposed subelement allows cataloguers to record a useful value without being obliged to count, or verify, the number of pages of embodied content.
