Subject: Formal response to RSC/NARDAC/2025/4, Scope note for Corporate Body

I appreciate NARDAC's efforts to raise this issue but agree with the Technical Working Group's suggestion that it requires more thorough assessment and may be better addressed by a future Working Group on collective agents.

Recommendation 1. Under Entities > Corporate Body revise the definition and scope by adding a scope note:

I disapprove.

Recommendation 2. Revise the glossary entry for Corporate Body by adding a scope note.

I disapprove.
