Resource Description & Access

# RDA Training in Canada Working Group

Began May 2024 with six members, now at fourteen members from five provinces.

Inspired by the successful Pan-Canadian Training group in the early 2010s.

Successful workshops at the annual Ontario Library Association Conference 2025 and 2026, and at a British Columbia Library Association event.

# RDA Training in Canada Working Group

The RDA Training in Canada Working Group is currently developing a series of RDA-related workshops, as well as an RDA training web site for Canadians in English and French.

Training focused on application profiles, RDA in MARC, and copy cataloguing with RDA.

Explored training tools such as whiteboards and Pressbooks.
